

Spring 2017 Standard and Additional Reports

Standard reports will be provided free of charge to all school districts. Standard reports showing student performance on the Texas English Language Proficiency Assessment System (TELPAS) assessments are as follows.

1 Confidential Student Report

The individual student report will show performance data for each student on the subject-area tests. (Two copies will be provided in paper format. The Confidential Student Reports also will be available on the TELPAS Assessment Management System.)

2 Confidential Student Label

An adhesive label that can be placed on each student's permanent record file will be provided. The label will show overall test performance data for the student in each subject area (one copy). The Confidential Student Labels can be declined and no labels will be shipped to the district.

3 Confidential Campus Roster—All Students

This alphabetical listing will show individual student performance data. (This report is only available on the TELPAS Assessment Management System.)

4 Campus and District Summary Reports

These reports will show the performance of students by campus. The information provided at the campus level will also be aggregated and reported at the district level. (Both campus and district summary reports are only available on the TELPAS Assessment Management System.)

5 Administration Student Data File (Confidential)

This file contains individual data records for each student for whom a document was submitted. The student record includes identification and demographic data as well as subject area scores. Reporting Category data are included. This file will be provided to all districts in fixed-length text format. Districts also have the option to order a tab-delimited text file at no charge.
