

Navigating the Teacher Portal

Teachers can customize the roster using the Options tool.

Navigating the Teacher Portal

- To drill down to student testing history and detailed results, teachers can click on a student name in the roster.
 - Student results are linked to the Student Portal.
 - Student Portal displays historical data for all prior administrations.
- The teacher can continue to view the roster report while also viewing the individual student details in separate tabs.

The screenshot displays the Texas Assessment Data Portal interface. At the top, it says "Texas Assessment Data Portal" and "Welcome, AAAAAAAAAA AAAAAAAAAA". There are links for "Help", "Ver en español", and "Sign Out". A banner for the STAAR Report Card is visible, with a "Learn More" button. Below this, the page is titled "Testing History For AAAAAAAAAA AAAAAAAAAA". There are icons for "Download Report Card(s)" and "Filter Tests". The data is organized into two sections: "2018-19 School Year" and "2017-18 School Year".

Frequently Asked Questions

- **Will districts have the opportunity to provide staff IDs for retest administrations?**
 - Yes. The (optional) TX-UNIQUE-STAFF ID is available for use in retest administrations (December STAAR EOC, May STAAR grades 5 and 8, June STAAR grades 5 and 8, and June STAAR EOC).

Frequently Asked Questions

- **In the beginning of the each school year, can new teachers be assigned to students to see these students' prior-year results?**
 - No. Teacher staff IDs can only be assigned during each registration window as outlined on the Calendar of Events.
 - New teachers may use the Student Portal to look up information for their new students.

Frequently Asked Questions

How will districts add teachers?

- Districts will indicate the subject-specific teacher on the district-supplied upload file.
 - New (optional) TX-UNIQUE-STAFF-ID fields have been added to indicate the TSDS ID code for the subject-specific lead teacher to allow for teacher-level reporting.
 - Columns BW–CA – **STAAR 3–8**
 - Column CB (one field) – **STAAR EOC**

NOTE: Districts will not be able to add or update teacher data after scores are reported.

Frequently Asked Questions

Can multiple teachers have access to results for the same student in the Teacher Portal?

- Yes, each of the TX-UNIQUE-STAFF-ID fields on the district-supplied upload file corresponds to a specific subject.

NOTE: multiple teachers cannot be assigned per subject area.
